

Buchan Caves Reserve

Buchan Caves Reserve is a unique historic park and camp ground adjoining the stunning caves system. Access to short and long walks in the surrounding bushland and the nearby Snowy River National Park make it an ideal base for a nature based camping holiday. Native wildlife abounds with many kangaroos, wallabies and wombats, and the region is home to over 90 species of birds.

Guided tours are conducted in Royal Cave and Fairy Cave. Both caves are lit and have walk-ways. Royal Cave has beautiful calcite-rimmed pools; Fairy Cave has elaborate stalactites and stalagmites. Special cave tours (some of which involve donning a helmet and light) for small groups are offered during the school holidays and may be organised by prior arrangement. Walking the Spring Creek track (90 minutes return) and all of the shorter walks in the area will provide many opportunities to see and hear birds, perhaps even the local Lyrebirds.

Other Brochures available:

Birding Guides are available for Bairnsdale, Bruthen & Nowa Nowa, Buchan, Lake Tyers, Lakes Entrance, Lindenow & Mitchell River National Park, Mallacoota, Marlo, Metung, Nicholson, Omeo and Paynesville.

Bird Check Lists are available for Buchan Caves, Cann River, Den of Nargun, Fairy Dell, Gippsland Lakes, Lake Tyers & Fishermans Landing, Macleod Morass, Nyerimilang, Omeo, Oneonta, and Raymond Island. Marlo and Mallacoota have 2 brochures each, (1. Waterbirds and 2. Bush birds).
